Long Distance Calling

Des Moines Zone Map

This map shows Iowa's five zone areas.

A zone is a geographic area which a local telephone company provides for your local and long distance calling.

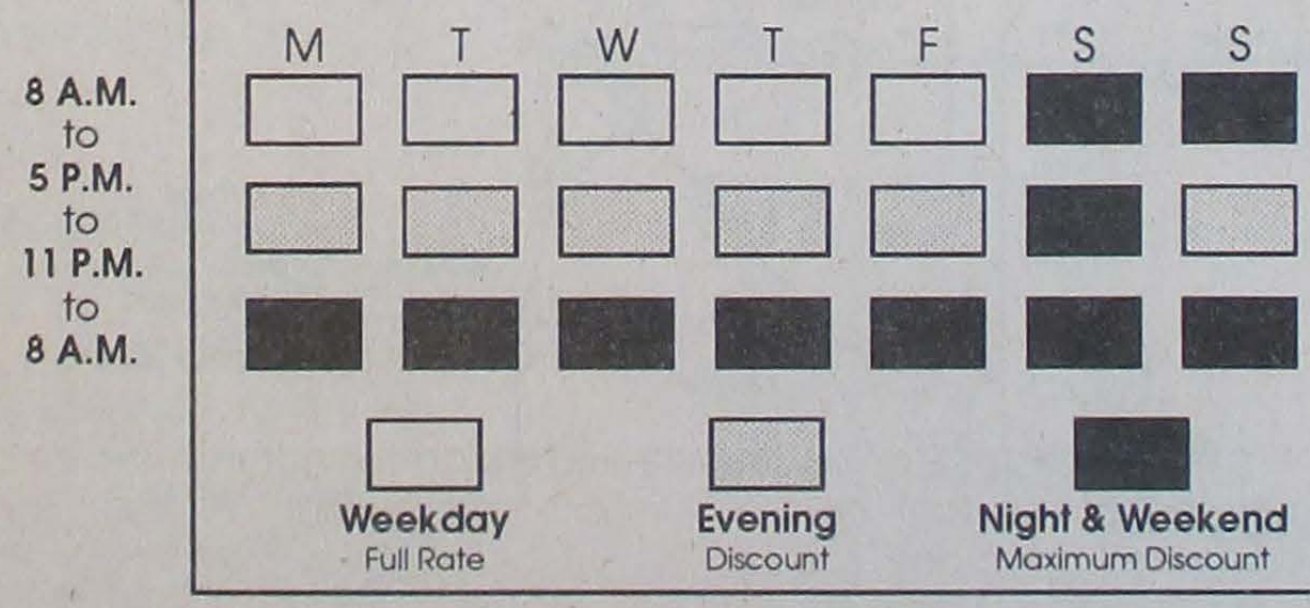

Calls outside the zone are handled by your long distance company, and do not effect local calling areas.

Discount Periods

Calls made during the evening, nights and weekends receive additional discounts from weekday rates. The amount of discount is dependent upon your long distance carrier.

If you start your call during one discount period and hang up in another, you will be billed at the rates applicable to each period.

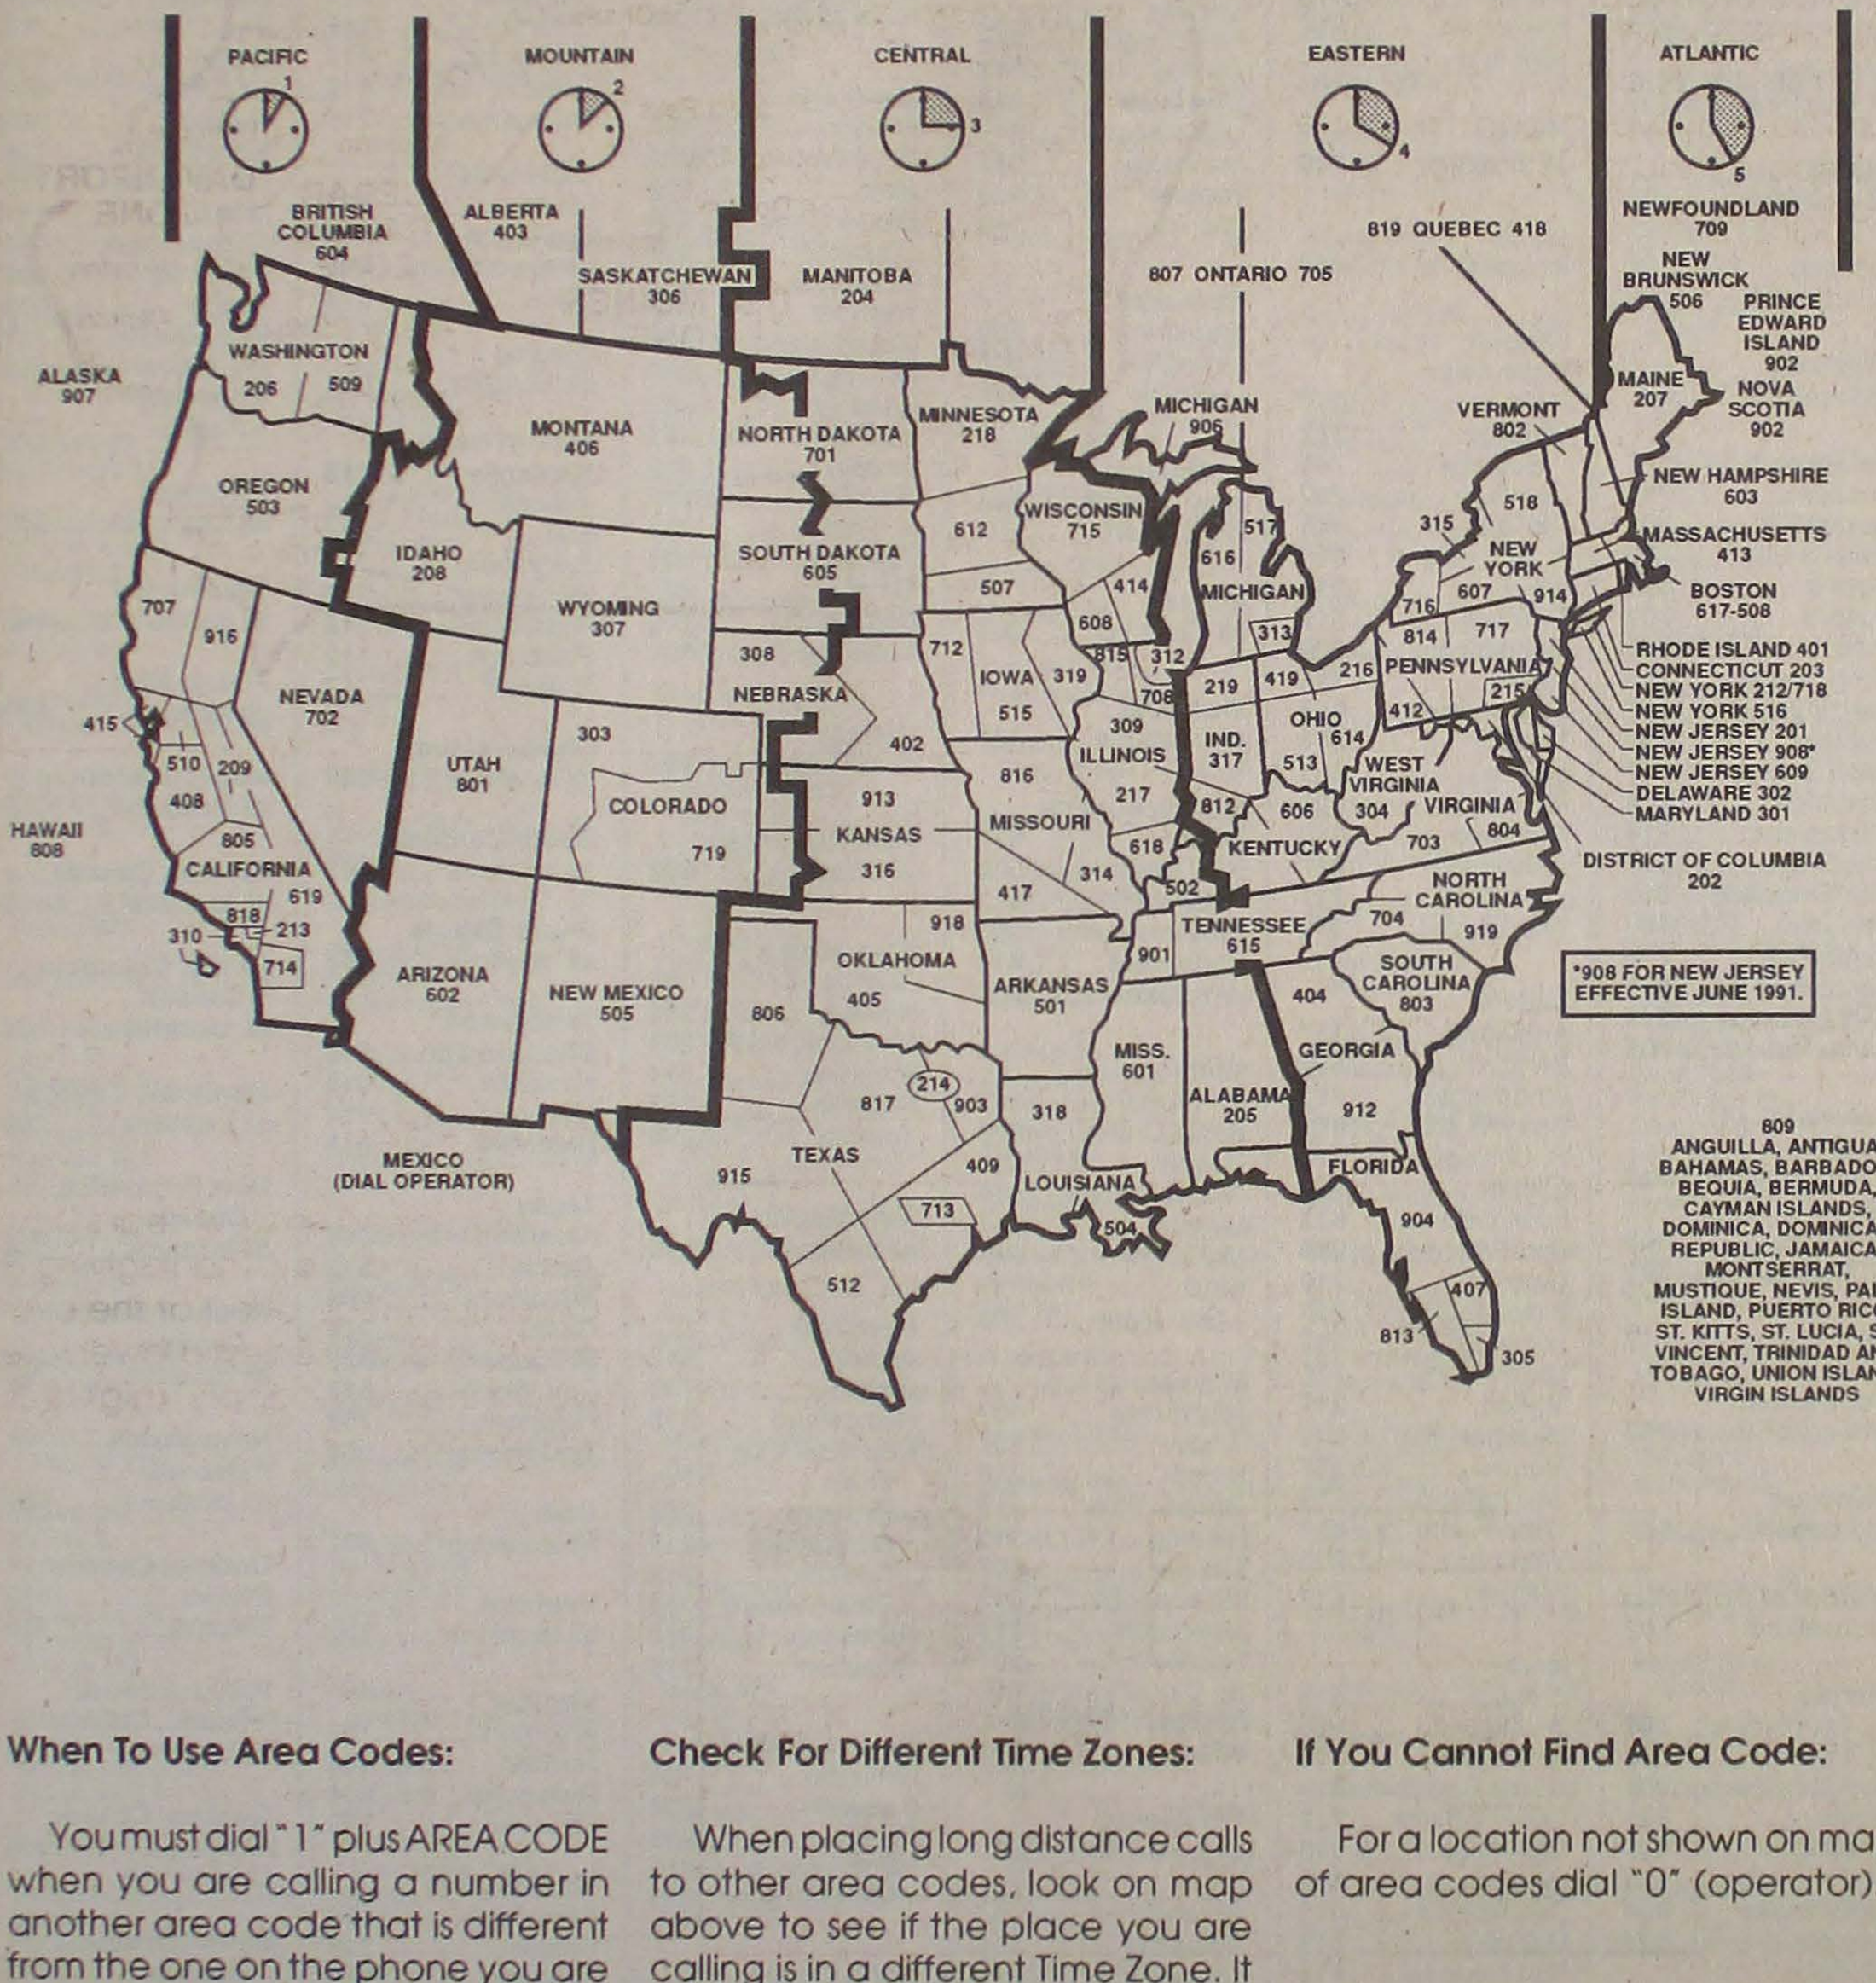

Holiday Rates:

Calls placed on New Year's Day, July 4th, Labor Day, Thanksgiving & Christmas will be billed at the evening rate all day unless a lower rate would normally apply (nights & weekends).

Long Distance Calling

Area Codes

When To Use Area Codes:

You must dial "1" plus AREA CODE when you are calling a number in another area code that is different from the one on the phone you are using.

Check For Different Time Zones:

When placing long distance calls to other area codes, look on map above to see if the place you are calling is in a different Time Zone. It may help to plan your call.

If You Cannot Find Area Code:

For a location not shown on map of area codes dial "0" (operator).

Area History

Ames was established in 1864 with the expected extension of the Cedar Rapids and Missouri Railroad. The railroads' president, John Blair, named the area after a promoter of the railways, Congressman Oake Ames from Massachusetts.

The original town consisted of a 12-block area, and has grown to be the largest city in Story County with a population of approximately 48,000.

Iowa State University works for all of Iowa. ISU is a broad-based comprehensive university of approximately 21,000 undergraduate students, 4,000 graduate students and 6,000 faculty and staff. It offers more than 120 programs of study leading to bachelor's, master's and doctoral degrees, and is home to several of the nation's most leading research centers, including the Ames Laboratory of the U.S. Department of Energy.

Iowa State was chartered in 1858 as the Iowa Agricultural College and Model Farm. It was designated as Iowa's land-grant institution in 1864 and opened in 1868.

The 1,730-acre central campus is regarded as one of the most beautiful campuses in the nation. It includes 174 major buildings, including the Farm House, constructed in 1860 as the first building on the campus and restored in 1976 as a museum to rural life in the late 1800's. The Farm House is a National Historic Landmark. The Campanile, built in 1899, is one of the best-known symbols of the campus, and houses the 50-bell Stanton Memorial Carillon. Throughout the campus can be found the sculptures of Christian Peterson, who was artist-in-residence at Iowa State from 1932-1954.

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

JEWELL
AREA CODE 515
ZIP CODE 50130

Your complete telephone number is needed on long distance calls - both to and from Jewell - and whenever you give your number to others. However, on local calls to other Jewell telephones, the first two numbers - 82 - may be omitted.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Two-party customers dial 421.
After dialing the number hang up. Your telephone and the called telephone will ring until the call is answered. When the ringing stops, remove receiver and start your conversation. If no answer, remove receiver for a few seconds and then replace it to stop the ringing.

The determination of the need for legal services and the choice of a lawyer are extremely important decisions and should not be based solely upon advertisements or self-proclaimed expertise. This disclosure is required by rule of the Supreme Court of Iowa.

A description or indication of limitation of practice does not mean that any agency or board has certified such lawyer as a specialist or expert in an indicated field of law practice, nor does it mean that such lawyer is necessarily any more expert or competent than any other lawyer. All potential clients are urged to make their own independent investigation and evaluation of any lawyer being considered. This notice is required by rule of the Supreme Court of Iowa.

★ Allows spot color to be more effective.
★ Offers you the choice of yellow spot color.
★ Photographs look sharper
★ Gives your ad greater visibility and impact.
